NEW LOGO in Honor of Club 50's 25th' Anniversary

Club 50 will be sporting a new logo -- you may have seen it on our most recent mailing!

We are so happy to be celebrating 25 years with you (if you couldn't tell!). We had a few versions we were thinking about, all that represented different aspects of Club 50 -- the travel, the scenery, the adventures.

But we wanted to keep it simple.

Check it out! Let us know what you think!

We can't wait to begin incorporating this new, special logo into our every day tasks. It's a great reminder of how far we've come, and how far we'll continue to travel!

Connie's Corner

December 2020

Hello Everyone!

Happy belated Thanksgiving to you and your families. This year, Thanksgiving looked very different for many of us. We hope you did your best to stay safe, even if you had to miss a year of in-person festivities.

Winter will soon be upon us. With the recent uptick in Coronavirus cases here, and throughout the world, it reminds us that we will need to be more careful now, than we ever have before.

Please continue to practice all the social distancing guidelines. Stay six feet apart, wash your hands often, for at least 20 seconds, and wear your mask! Speaking of masks, do you want to know one of my pet peeves? It drives me crazy when I see people wearing their mask, but not covering their nose. Just their mouth! You may as well not have one on at all. If someone sneezes or coughs near you, you are breathing that in through your nose. Conversely, if you happen to sneeze, you are spreading germs to those near you. I am sure you are all aware, you could have no symptoms at all, but are a carrier of the virus. Wearing a mask protects you and those around you.

This winter is going to be tough. We are going to have to go through another round of staying indoors, and not seeing each other in person. It is the only way to get through this, and we will get through this. The news is encouraging for a safe and effective vaccine, so hang in there.

Now...on a happier note! We are pleased to announce that on Wednesday, December 9th at 5PM, we will be bringing the annual Club 50 Holiday Party, directly to you, in your own living rooms! Put on your favorite holiday apparel, pour yourself your favorite holiday drink, login to WATERTOWNSAVINGS.COM/HOLIDAY and enjoy our Holiday message to you! Get ready to sit back and relax, or stand up and dance! Whatever you do, we hope you enjoy it!

Stay well, until we can be "On The Road Again."

Submit a Recipe to our To-be-Published Cook Book!

Help celebrate Club 50's 25th Anniversary by sharing your favorite recipe.

Ingredients

1/2 cup butter
1 cup white sugar
4 eggs
Pinch of cinnamon
Pinch of nutmeg
5 slices of white bread, torn, with crust removed
1 can (20 oz.) crushed pineapple with juice

Directions

Preheat oven to 350.
Grease a medium sized casserole dish.
Cream together butter and sugar. Beat in eggs one at a time. Stir in cinnamon and nutmeg, to taste.
Gradually fold in the bits of white bread and the crushed pineapple into the mixture.
Transfer mixture to baking dish. Cook at 350 for 60 minutes, until fluffy and lightly brown.

CLUB 50

Club 50 is seeking entries from our members in an effort to publish a collaborative cookbook, to commemorate our 25th Anniversary!

- **Deadline:** Open from now, into 2021! We know your inspirations change as the seasons change!
- **Submissions:** Enter up to a total of 3 recipes! Ideally we are looking for an Appetizer/Side Dish, an Entree, and a Dessert/Sweets.

Every entry entered into a raffle! Enter to win some great prizes!

We thought this would be a really fun way to showcase some of your favorite foods (and your talents)! It feels really personal, and really reminiscent of all the times we have shared a great meal together.

Every Winter season I find myself getting creative in the kitchen, to beat the cold. This past week, I made my first ever Shephard's Pie with ground turkey meat! We managed to maintain that really great savory flavor (pictured above).

Please submit an original recipe! Although we know there are 100s of variations on dishes out there, we want YOUR variation. Something that you made to your tastes. For instance, I love making cranberry apple pie every season! My twist is that I like to add a little bit of molasses and dried Valencia orange peel to the apple/cranberry mixture. I also make my own pie crust, with unsalted butter and a splash of apple cider vinegar!

For more information on submitting a recipe (or 3!) please visit the forms section of our newsletter.
