Hello Club 50!

Fall is in the air! There is nothing like New England in the fall! Beautiful sunny days, and cool, crisp mornings and evenings!

I hope you all have a chance to get outside and enjoy it. It's a good time for everything apple...

Apple picking, (or just eating) apple cider, apple cider donuts, and good old fashioned apple pie!

Our second trip of the year includes a visit to the Red Apple Farm in Phillipston, MA, where we will be able to get our fill of apples!

The first trip in September went really well! We had 42 on the trip and we split the group in half for our

Duck Tour around Boston. We went in the water, and it was fun to see the city from the water!

It was a beautiful day, and we all enjoyed it. But what most people said about the trip, was that it was just great to be outside with a group of their friends, and how nice it was to see everyone again.

It was a fantastic first trip back! Thank you to everyone that was able to join is. It made me so happy to see everyone!

After our trip on the 15th, we have three remaining trips for this year. Please see the forms section for the details. Sign up for the November trip is October 5th.

Our next newsletter will be published in late November or early December. Our trips are all scheduled for 2021, and right now we have no new "big" trips planned for 2022. The Canadian Rockies trip in September of 2022 still has a few spaces available. Please let me know if you would like some information about it.

We announced last month that there will not be any holiday parties this year.

I do hope we will see each other on some of the trips, or if you are out and about, please stop in and say hello!

Stay well, and I look forward to being "On The Road Again!"

Connie
